

Dependent Student Medical Leave Certification Form

Public law 110-381, also known as "Michelle's Law," allows dependent college students insured under their parent's policy to remain covered **if they are required to take a medical leave of absence from school or make any other enrollment changes that might cause them to lose dependent student eligibility.** In order to qualify for this continued coverage, the dependent must be suffering from a serious illness or injury and the leave of absence or other enrollment changes must be medically necessary, as determined by the treating physician. Such dependents may remain covered up to the earlier of: one year after the first day of the medically necessary leave of absence or the date on which such coverage would otherwise terminate under the terms of the plan/coverage. Following the medical leave, student dependents will once again be required to provide student certification to remain eligible for dependent coverage.
