BlueCross BlueShield of Oklahoma

Eligibility and Benefits User Guide

June 2023

An Eligibility and Benefits Inquiry should be completed for each Blue Cross and Blue Shield of Oklahoma (BCBSOK) patient prior to every scheduled appointment. The Availity® Essentials Eligibility and Benefits Inquiry includes important information regarding the patient's benefits, such as membership verification, coverage status, applicable co-payment, co-insurance, deductible amounts, etc. Additionally, the benefit quote may include information on applicable benefit prior authorization requirements.

Not yet registered with Availity Essentials? Visit Availity and complete the online registration today, at no cost.

Checking eligibility and/or benefit information is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility, any claims received during the interim period and the terms of the member's certificate of coverage applicable on the date services were rendered.
