

Commission increase for Oklahoma Bankers' Health Insurance Pool Plan

Effective Jan. 1, 2007 a 5 percent commission will be paid to producers selling plans within the Oklahoma Bankers' Health Insurance Pool Plan (OBHIPP). Previously, commissions were set at 3 percent.

To be eligible for participation within OBHIPP, the group must be an Oklahoma bank or must be approved by Blue Cross and Blue Shield of Oklahoma. All Blue Cross and Blue Shield appointed producers may receive OBHIPP rates.

The 5 percent commission will be applicable if the group:

- is sized 2+, and
- has an effective date of Jan. 1, 2007 or after.

Groups and/or approved entities enrolled prior to Jan. 1, 2007 will be eligible for the increased commission rate after July 1, 2007.
