

BCBSOK – Significant Edits

Based on claims experience, the following procedure codes were impacted by BCBSOK significant edits in the categories represented. Each procedure code hit the edit a minimum of 250 times to be listed. The application of bundling edits is dependent on the combination of procedure codes and modifiers submitted on claims. Results can also be impacted by the periodic software updates.

This service is incidental to primary procedure code. Payment is included in allowance for primary service.

Charge is exact duplicate of a charge already processed on this claim.

99070

This service is incidental to primary procedure code. Payment is included in allowance for primary service.

Blue Cross Blue Shield of OK Professional Multiple Surgery Guidelines

Separate Operative Areas (unrelated) Surgical Procedures

Standard consideration for separate operative areas (unrelated procedures) allows for an eligible amount of 100% of the Maximum Reimbursement Allowance (MRA) for each unrelated procedure.

Same Operative Areas (related) Surgical Procedures

Standard consideration for same operative area (related procedures) allows for an eligible amount of 100% of the MRA for the Primary procedure and an eligible amount of 50% of the MRA for all other same operative area procedures.

Combined - Same and Separate Operative Areas Surgical Procedures

Standard consideration for same operative area (related procedures) allows for an eligible amount of 100% of the MRA for the Primary procedure and an eligible amount of 50% of the MRA for all other same operative area procedures. All other procedures with a different operative area from the Primary procedure allows for an eligible amount of 100% of the MRA for each unrelated procedure.

Bilateral Procedures (services rendered on or after April 15, 2008)

Standard consideration for bilateral procedures allows for an eligible amount of 150% of the MRA for the entire bilateral procedure. The above guidelines apply when multiple related and unrelated services are billed in addition to bilateral procedures.

Important Note: Surgical procedures defined by the American Medical Association as Modifier 51 exempt or an “add-on” code are not subject to the above Multiple Surgery Pricing guidelines.
