

Name: Aubrey Brown

Grade: 4th

# BE SMART- DON'T START!

My grandma started smoking. I told her she could get cancer and have a heart attack.

I told her that I would be to see me graduate from college and achieve my dreams and goals.

So that made her think twice about smoking! Now she is living a smoke-free life style.

I am happy for my grandma. And now I want to have a smoke-free family. BE SMART DON'T START!
