# BE SMART- DON'T START!

"Hello America! And thank you for watching! This just in! 16 year old, Morraine Engles has just developed cancer due to 2nd hand smoke! We go live now with Janett Jay!"

"Thank you, Brad. I'm here with Dr. Josie Mallard. Now Doctor, tell us! Do you think due to the conditions of Ms. Engles that her relatives will stop their addictive habits?"

"Well, Janett. Mr. Joseph Engles has agreed to quit due to the conditions of his daughter. Though her grandfather continues to chew." "Well that is certainly some good news! Now, we go live with J.T. Jackson!"

"Thank you, Janett. I'm here with Ms. Engles herself. Now, Morraine, how does it feel knowing your own family caused this illness?" "I think it's a message for all the kids of America not to start tobacco. Plus I'm not mad at dad. Just disappointed so every one watching. Be smart, Don't Start!"
