# BE SMART- DON'T START!

When I changed to a new school I wanted to be cool. I had no friends yet so I sat by myself under a tree.

While I sat there reading my book another student came and sat beside me.

She started smoking a cigarette. She said this is what the cool kids do. And I said, smoking is not cool.

Cigarettes are dangerous and it hurts thousands of families every year so be smart and stop smoking now.
