

Name: Tori Blumel

Grade: 3rd

BE SMART- DON'T START!

Did you know? There are more than 4000 chemicals in cigarette smoke, including formaldehyde, butane, arsenic, ammonia, acetone, carbon monoxide and cadmium. 200 of these chemicals are poisons, and 43 chemicals cause cancer. Tobacco causes wrinkles, stroke, asthma, coughing and even DEATH!!!!

Tobacco also can give you heart disease, lung cancer, and you can go to the hospital.

Smoking is bad for you and the Earth. It can pollute the Earth. And it can kill you, give you wrinkles, and bad breath.

Don't use tobacco products!
Be Smart - Don't Start!

Working Together for a Healthier Oklahoma!

Special thanks to contest sponsor, Lamar Advertising Company, for in-kind donations of outdoor advertising.

Blue Cross and Blue Shield of Oklahoma is a Division of Health Care Service Corporation, a Mutual Legal Reserve Company, an Independent Licensee of the Blue Cross and Blue Shield Association.
