

**Subject: Important Plan Changes Oklahoma Small Group 2022**

Dear Group Administrator:

On your plan renewal date, there will be some changes to the benefits offered in your current plans, such as prescription drug formulary changes.

Included with this letter is a list of all Blue Cross and Blue Shield of Oklahoma small group plans and their benefit level changes.

**Your next steps:**

- Find the seven-digit plan ID for your current plan(s), in the "Current Health Plans" section of your renewal exhibit
- Use that seven-digit plan ID to find your group's benefit changes in the "Plan Changes" document

If you would like to keep your current plan(s) at renewal, nothing else is needed. Your plan(s) will continue with no interruption. If you would like to make a change, contact your broker or call us with questions. A Benefit Program Application Amendment must be completed and returned to us for any changes to your group's coverage.

Our goal is to serve your health care coverage needs through all of life's changes. If you have any questions, our team stands ready to help.

Sincerely,

Blue Cross and Blue Shield of Oklahoma
