

**2022 Commercial Outpatient Benefit Prior Authorization Fully Insured
Medical Surgical Procedure Code List
Posted December 2022 to reference changes that will be effective January 2023**

This is not an exhaustive listing of all codes. Codes may change, and this list may be updated throughout the year. The presence of codes on this list does not necessarily indicate the member benefits contract. It is imperative that providers check eligibility and benefits through Availity® or their preferred vendor to determine if a prior authorization number on the back of the member's ID card if you have any questions.

BCBSOK has contracted with AIM Specialty Health® (AIM) to provide certain utilization management services. AIM is an independent company that provides specialty medical management for BCBSOK. AIM contact information provided below for procedure codes that may require prior authorization through AIM.

This list includes procedure code changes for services that may require benefit prior authorization (also known as precertification or preauthorization) effective 01/01/2023 indicated through Blue Cross and Blue Shield of Oklahoma (BCBSOK) managed for one or more of our networks (Blue Choice PPOSM, Blue Preferred PPOSM, Blue Tradition
