Program Focus for 2016

Based on the review of the 2015 program goals, an increased understanding of barriers to improvement, and attention to lessons learned during the year, the following primary areas for focus of the HCSC BH QI Work Plan for 2016 include:

1. Successfully achieve URAC CM re-accreditation in partnership with BCBSTX;
2. Participate in the preparations and mock surveys with BCBSNM in pursuit of NCQA Health Plan re-accreditation.
3. Continue to collect and submit BH materials for The Most Ethical Company in the World Award for 2016;
4. Maintain a high level of satisfaction among providers and members;
5. Increase the rate of 7-day and 30-day ambulatory follow-up after psychiatric hospitalization for mental health;
6. Continue to monitor member accessibility and availability to the full range of behavioral health services through member satisfaction ratings and complaint assessment;
7. Ensure appropriate safeguarding of member personal health information (PHI) and sensitive personal information (SPI);
8. Improve the integrated delivery of behavioral health and medical care to members with co-morbid conditions;
9. Measure, monitor, and continuously improve performance of behavioral health care in key aspects of clinical and service quality for members, providers, and customers;
10. Ensure the BH Care Management program is compliant with, and responsive to, applicable requirements of health benefit plan sponsors, federal and state regulators, and appropriate certification or accreditation entities;
11. Increase the knowledge and skill bases of BH staff across functional areas;
12. Foster a supportive environment that encourages behavioral health providers to improve the safety of their practice;
13. Focus continuous quality improvement efforts on those priority areas defined in the annual BH QI Work Plan that are aimed at improving member experience, member satisfaction and member health and wellness; and
14. Incorporate the NCQA and URAC standards to ensure the BH Program's approach meets the cultural and linguistic needs of the membership.
