Please allow 10 business days from the time that you place your order to receive your prescription(s). A refill order form and return envelope will be included with your shipment.

Generic equivalents are usually less expensive than brand name drugs. If we dispense a brand name drug, you may be responsible for a higher copayment and/or the difference between the brand and generic price of each drug. If allowed by your prescriber, we will dispense a generic equivalent unless you check this box.  I do not accept a generic equivalent.
