Can you get help paying for your coverage?³

Based on your income, family size and the type of plan you choose, you may be able to get financial help when you buy through the Health Insurance Marketplace in Oklahoma.

³ If you are Native American, the cost-sharing amounts and income levels may be different. Please call 866-303-2583 or contact an independent, authorized BCBSOK agent for details.

Blue Preferred PPOSM and Blue Advantage PPOSM

BCBSOK offers two PPO options with access to different provider networks — Blue Advantage PPO and Blue Preferred PPO. Here's an overview of how these BCBSOK plans work.

Networks vary and may not include every doctor or hospital in your area, so it is important to research your plan's network before you buy. Also, depending on where you live, some plans may not be available to you. Please visit bcbsok.com or call 866-303-2583 for more information.

⁴ Blue Advantage PPO plans may not be available where you live.

Health Plans to Fit Every Budget

We have three levels of health care plans available — bronze, silver and gold. Each plan has different benefits and costs, so be sure to choose the one that fits your needs best. All plans include the same essential health benefits.

Our Security and Dental Plan Options

Visit bcbsok.com or contact your independent, authorized agent to find out more about these options.

Blue Preferred Security PPOSM

This is a special catastrophic health care plan for certain people under age 30 and some people with low incomes. This plan has lower premiums than other health plans, but has higher deductibles.

BlueCare DentalSM

BCBSOK has options to provide you and your family with dental coverage. Our dental plans provide coverage for cleanings, preventive services and much more.

Prescription Drug Coverage is Included in All Our Plans

Your health plan’s prescription drug list has many levels of coverage, called payment level tiers.

Our plans have six payment level tiers. Most often, the lower the tier, the lower your out-of-pocket costs will be for the drug.

Tier		Drug Type	Your Cost
	6	Non-Preferred Specialty	\$\$\$
	5	Preferred Specialty	
	4	Non-Preferred Brand	
	3	Preferred Brand	
	2	Non-Preferred Generic	
	1	Preferred Generic	\$

BCBSOK also offers ways for you to save time and money on your prescriptions.

Cost savings: You may pay less when you choose generic medicines from our drug list. You also may save when you get up to a 30-day supply of a covered prescription drug from an in-network pharmacy. Talk to your doctor about what is right for you.

Time savings: Maintenance medications are those drugs you take on a regular basis. You can have up to a 90-day supply of these medications delivered directly to you through the mail order program or at a retail preferred pharmacy participating in the Preferred Pharmacy Network.⁵

Online resources: You can search the drug list, find a pharmacy, see your claims, order home delivery, and get an estimate of your costs for a medication 24/7 by logging in to Blue Access for MembersSM (BAMSM) at bcbsok.com.

5 The Preferred Pharmacy Network does not apply to 100% cost sharing plans. The relationship between Blue Cross and Blue Shield of Oklahoma and contracting pharmacies is that of independent contractors, contracted through a related company, Prime Therapeutics LLC. Prime Therapeutics LLC is a separate pharmacy benefit management company. Blue Cross and Blue Shield of Oklahoma contracts with Prime Therapeutics to provide pharmacy benefit management and other related services. Blue Cross and Blue Shield of Oklahoma, as well as several independent Blue Cross and Blue Shield Plans, has an ownership interest in Prime Therapeutics LLC.

Is a Health Savings Account (HSA) Right for You?⁸

An HSA is a special savings account that you may use to cover a wide range of qualified medical expenses. An HSA helps you take charge of your health and be responsible for how you spend your health care dollars. For many people, using an HSA is an effective way to help manage the costs of health care.

Not all plans are HSA compatible. Visit bcbsok.com or speak with an independent, authorized agent to learn more.

Notice: If you get cost-sharing reductions under your health plan that have the effect of reducing the deductible below the federal government's minimum deductible, you may not be eligible to contribute to a Health Savings Account.

⁸ As a reminder, a Health Savings Account (HSA) has tax and legal ramifications. Blue Cross and Blue Shield of Oklahoma does not provide legal or tax advice and nothing herein should be construed as legal or tax advice. These materials, and any tax-related statements in them, are not intended or written to be used, and cannot be used or relied on for the purpose of avoiding tax penalties. Tax-related statements, if any, may have been written in connection with the promotion or marketing of the transaction(s) or matter(s) addressed by these materials. You should seek advice based on your particular circumstances from an independent tax adviser regarding the tax consequences of specific health insurance plans or products.
